

Jesus, help me to keep loving you

Immediately the father of the child cried out, "I believe! Help my unbelief!" (Mk 9:24)

Jesus was walking towards Jerusalem with his disciples. A man came up to him and asked him to cure his little boy.

Jesus answered: "If you have faith, everything is possible." The little boy's father asked Jesus to help him have more faith.

Jesus took the boy by the hand and healed him.

I was leaving the house in my best clothes to go to church when my father asked me to go and get a bucket of water for him. I said no.

I went toward the church, but along the road a voice inside my heart told me to go back home.

So I went home and got the water for my father and then I ran to church.
