The Golden Rule

“We can all live the law of Heaven”

Proposals for the GEN4 meeting

For this module we propose ideas for 2 meetings on the Golden Rule

First meeting: The Golden Rule (1)

1. Suggested guidelines

Now we will share with you the secret of love that makes the world like one big family, where everyone loves each other, in whatever religion you belong to. This secret is so precious that it is called the “Golden Rule”.

1. Present the golden rule with the video of the Word of Life (file attached), or begin with the video snippet of Chiara’s story (part 2) with Markus’s experience (see gen4 site).

2. Give examples of how to live the Golden Rule at home, at school.

3. Drawing: Colour the Word of Life on the Golden Rule (file attached).

4. Gen4 song

5. Game: “Help the other person as you would like to be helped” (file attached).

Cut out the different cards from the n°3 attachment. Pair the children, ask one of the two, to pick out a card from the pile: he/she has to guide on a path (established in advance) with what is drawn on this card (e.g., if he/she draws card n°1, he/she has to guide a blindfolded child through the path). Then the roles are reversed.

6. Snack: To live the “do unto others as you would have them do unto you”, each child takes a snack and gives it to another child and one to another: the child who gave a snack will receive one from another child.

Let’s do something together

Game: Cut out the sentence on the Golden Rule and hide the pieces (the children who cannot read look for the pieces and bring them to the children who can read and who have to reconstruct the sentence(see attachment).

Second meeting - The Golden Rule (2)

- 1- Invite the gen4 to share experiences on the Golden Rule
- 2- See the slides on the “Good Samaritan” story (gen4 website)
- 3- Form two groups:
 - The older ones make a mime about the “Good Samaritan”
 - The younger ones colour a drawing about the “Good Samaritan” (file attached)
- 4- Play a game about the “Good Samaritan” (file attached) (see gen4 magazine July/August 2013)
- 5- Snack

Let's do something together

Handcraft: origami “let's live the Golden Rule” to take home (file attached)

or link: (20) Jeu cocotte en papier - origami - Bricolage pour enfants #7 - YouTube
(20) Paper casserole - origami - Handcraft for kids #7 - YouTube

After making the origami, assign numbers and colours as shown in the tutorial and, instead of questions, write or paste the 8 drawings of acts of love that you find attached.
