This is what happened to Isidora from Chile:

Isidora was very happy because she was going to her Gen 4 meeting. But then her mom said that she didn't feel well and told her, "I'm not sure I can take you to your meeting."

Isidora was quiet for a moment and then said, "Don't worry, Mommy, you rest and I'll take care of Laura."

A little while later she asked her mom if she felt better and could take her to the meeting. Her mom said, "I still don't feel good, and if I don't get much better, I can't take you." Isidora immediately answered: "Don't worry! It's okay."
