

# Let's sing together

Title: **Come and follow me**

Text: **Lesley Ellison**

Music: **Lesley Ellison**

Jesus went to find some very special friends  
Walking beside the sea.

Jesus went to find some very special friends  
Walking beside the sea.

Peter and Andrew and John and James  
Will you come and follow me?

Peter and Andrew and John and James  
Will you come and follow me?

Follow, follow, follow, come and follow me,  
Follow, follow, follow, come and follow me,  
Follow, follow, follow, come and follow me,  
Follow, follow, come and follow me,

Jesus went to find some very special friends  
Walking beneath a tree.

Jesus went to find some very special friends  
Walking beneath a tree.

Matthew and Phillip and Nathanael  
Will you come and follow me?

Matthew and Phillip and Nathanael  
Will you come and follow me?

Follow, follow, follow, come and follow me,  
Follow, follow, follow, come and follow me,  
Follow, follow, follow, come and follow me,  
Follow, follow, come and follow me,

*Jesus if you call us too  
We will always come and follow you  
Jesus if you call us too  
We will always come and follow you*

Jesus wants us all as very special friends  
Walking with us each day

Jesus wants us all as very special friends  
If we listen he will say:

## **Both voices together:**

Follow, follow, follow, come and follow me,  
Follow, follow, follow, come and follow me,  
Follow, follow, follow, come and follow me,  
Follow, follow, come and follow me,

*Jesus if you call us too, we will  
always come and follow you  
Jesus if you call us too, we will  
always come and follow you*
