

Let's sing together

Title: **The cube of love**

Text: **Lesley Ellison**
Music: **Lesley Ellison**

We've got a cube and we roll it every day
We've got a cube and it tells us how to play
We've got a cube and you can roll it too
Let's roll it now and it will tell us what to do

Are you ready?
Yes!
Shall we roll it?
Yes!
One, two, three and
Roll...

What does it say?

Be the first to love

(or choose any of these phrases)

*Love your enemy
Love everyone
You can make yourself / one with everyone
See Jesus / in everyone
Love each other*

Be the first to love
Be the first to love
Be the first to love ALL THE TIME

Be the first to love
Be the first to love ALL THE TIME

*Return to the beginning and sing as often as you like.
This is the place to eventually stop!*
