

# Let's sing together

Title: **The promise**

Text: **Lesley Ellison**  
Music: **Lesley Ellison**

Now if your love comes to me  
And if my love goes to you  
When we love like this  
Then we'll see that the promise is true

It's the promise that Jesus made  
And we're absolutely sure  
When we love like this  
He is with us for ever more

*"When you meet in my name  
I'll be there together with you,  
When you meet in my love  
I'll be there whatever you do"*

## **(first time)**

He is here...  
    when we love one another  
He is here...  
    when we meet in his name  
He is here...  
    when we're singing together  
He is here...  
    when we're playing our game

## **INTRO TUNE then go back to start of song**

## **(second time)**

He is here...  
    when we're working together  
He is here...  
    when we're trying to share  
He is here...  
    when we're helping each other  
He is here...  
    when we're saying our prayers
