Text: **Lesley Ellison**  
Music: **Lesley Ellison**

1. We know we've got a friend  
We know we've got a friend  
We know we've got a friend  
Jesus it's you!

2. We know you're always here  
We know you're always here  
We know you're always here  
Jesus it's you!

3. Wherever we go    Whatever we do  
Whenever we love one another we know  
You'll be with us too

3. Wherever we go....

1. We know we've got a friend....

2. We know you're always here....

**3 and 1 together**    *Wherever we go  
we know we've got a friend  
Whatever we do  
we know we've got a friend  
Whenever we love one another we know  
You'll be with us too!*

**3 and 2 together**    *Wherever we go  
we know you're always here  
Whatever we do  
we know you're always here  
Whenever we love one another we know  
You'll be with us too!*

1. We know we've got a friend....

**3 and 2 together**    *Wherever we go  
we know you're always here  
Whatever we do  
we know you're always here  
Whenever we love one another we know  
You'll be with us too!*

1. We know we've got a friend....  
We know we've got a friend....
